### Eco-products International Fair 2013

Posted on [March 4, 2013](#) by [admin](#)

EPIF 2013 is the only event of its kind offering exhibitors & attendees a direct view of what is happening regionally and globally across the green marketplace. The event brings together an international mix of motivated buyers and sellers of high value green solutions and technologies for 3 days of sourcing, networking and knowledge.

EPIF is the perfect platform to efficiently make new business connections and meet buyers and sellers with all the key players in the following industries in one place. **GREEN FINANCE, GREEN BUILDINGS, WASTE MANAGEMENT & RECYCLING, SMART GRIDS** and **GREEN ENERGY**.

The Centre of Innovation for Electronics, COIE together with Nanyang Polytechnic, NYP would like to invite you to visit the ECO-Products International Fair Held at the Sands Expo & Convention Center, Marina Bay Sands from 14th – 16th March where we'll also be showcasing some of NYP & COIE's innovations and technologies in related areas at [Booth S1 \(Hall C\)](#). We look forward to seeing you at this Asia's Premier Environmental Fair.

For more information and registration, please visit [www.epif2013.com](http://www.epif2013.com)
