### Eco Product International Fair (EPIF)

**Event Date:** March 14, 2013 - March 16, 2013

**Event Location:** Sands Expo & Convention Center, Marina Bay Sands, Singapore

**Event Website:** <http://www.epif2013.com>

EPIF will showcase the most advanced environmentally friendly products, technologies and services that enhance sustainable development and competitiveness.

The 8<sup>th</sup> edition of EPIF, with the theme “One Environment, One Future: Towards a Sustainable & Greener Asia”, serves as a global platform and one stop centre to showcase Asia’s commitments to the environment and highlight the biggest opportunities in the eco business industry.

EPIF 2013 features two sectors- Eco Business and Green Personal Lifestyle and the following areas: Green Buildings, Green Energy, Green Finance, Pollution Control, Smart Grid, Waste Disposal & Management and Water Recycling & Management.

Enterprise Promotion Centres (EPC) is the event manager and we are looking for media partners to come on board to support and benefit from our event publicity.
