[19-Mar-2013] Green Trade Project Office (GTPO), Ministry of Economic Affairs of Taiwan, proudly introduces 10 excellent green product manufacturers and Taiwan's Green Classics Awards winners to exhibit in Eco Product International Fair (EPIF) in Singapore during 14-17 March. The highlight of this year's EPIF includes the flag-giving ceremony on 03/15, in which the APO committee transfers the EPIF flag to GTPO to officially announce Taiwan to be the next host in 2014.
