

APO News quiz

Dear Readers:

This year we again feature a year-end quiz for a bit of fun while refreshing your memory of APO activities in 2009. Answers to the quiz questions can be found in 2009 issues of the *APO News*. Twenty winners will be decided in a lucky draw from among the entries with 100% correct answers. You must also complete the opinion survey to be eligible for the prizes of an APO bag and T-shirt. The quiz is open to all *APO News* readers, excluding APO Secretariat staff and family members. Only one entry per person is permitted, and all entries must reach the *APO News* by 10 February 2010.
