New officer at the Secretariat

Mohammad Towfiqul Islam started as IT officer at the Secretariat on 5 January. He holds a BSc and a Master's in Computer Science from the National University of Bangladesh, in addition to an MA in e-Business Management from the International University of Japan. Coming to the Secretariat after more than 12 years of IT experience in the private sector, with eight-plus of those years in Japan, Towfiq will work to ensure that the APO's knowledge networking can expand smoothly and securely. He is determined to implement a common platform to achieve innovation at the Secretariat and among NPOs, spread KM to improve productivity, and achieve the Roadmap 2020 targets. Married with a young son, he likes to read, play/watch cricket, and "test yummy food of various countries" when not sitting in front of a computer screen.
