Koroilavesau opens APO workshop

By FELIX CHAUDHARY
Monday, November 23, 2015

Update: 11:00AM EMPLOYMENT, Productivity and Industrial Relations Minister Semi Koroilavesau opened a training course on Industrial Engineering Techniques for Productivity in SMEs this morning in Nadi.

Representatives from 13 Asian Productivity Organisation countries, including Fiji, are participating in the week-long course.

The workshop is being held by the APO, in partnership with the Fiji National University and National Training and Productivity Centre.
